

Our mission is to provide a safe supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life.

In order to facilitate the registration of your child into one of our daycare programs, it is important that we complete all steps of the registration process. This will ensure that we have all of the important information we need to keep your child safe and comfortable while they are in our care. It also ensures that you have the opportunity to have all of your questions answered before your child attends our program.

This manual is available from our office and is also available on our website. *You must sign and acknowledge that you have read and understand this manual.* Parents are responsible for knowing its content.

Hello everyone!

Welcome to the BGC Greater Fredericton After-school Program. We are very excited for a wonderful school year. As always, we encourage you to come see us with questions or concerns as we want you all to have a wonderful experience with us. Please take the time to come meet our wonderful staff and volunteers as they cannot wait to meet you.

The first thing we would like to draw your attention to is the Parent Manual. It is each parent's responsibility to review and become familiar with our policies and expectations, it is updated every year. Please let us know if you need another copy, you can also find it on our website www.bgcfred.com

Absolutely no nuts or peanut butter or product containing them. We do have children who are extremely allergic. We will post updates for severe allergies at our facilities. Thanks so much for your co-operation in keeping our environments safe.

We ask that you notify us for any reason that your child may not be attending as soon as possible and the reason for absences. The schools do not inform us. When children are sick or unable to participate in activities then parents must make alternate arrangements. Please note the exclusion reference guide and the parent roles and responsibilities in the Parent Manual. It is required that parents notify us of illness as there may be times that we need to post notification and ensure proper cleaning takes place. Fall is a peak time for headlice – please check your child's(ren) heads often. We will also do checks when we notice excessive itching.

It is very important to inform us of changes pertaining to pick up arrangements and this includes use of taxis or if you have chosen for your child to walk from middle school. At any time we reserve the right to ask for photo ID of those coming to pick up children and prefer that the person coming for pick-up is at least 14 years old.

Please note that we close at 5:30pm there's a late fee of \$5 for every 5 minutes per child due upon arrival or will be charged to your account.

Please send: An afternoon snack daily, lunch with ice packs on Wednesdays, PD Days, Storm Days and Camp Days – along with two snacks on full days. Please send necessary spoons and forks with your child/ren. **We are unable to heat up lunches/snacks.** Please send a change of clothes for your child (more for the younger ones).

Personal items from home- we ask that you not send daily. (Cards, personal game systems, stuffed animals, mp3 players, ipods etc.) We are not responsible for any damage, loss, theft or traded items as we prefer these items stay at home. There may be special days where 'Toys from Home' are allowed – but not electronic toys or devices. Please see Program Manager/Director for details.

Indoor shoes are mandatory. Winter boots & gear (snow pants) are required for winter. We get outside for fresh air as often as we can and need the children to be dressed appropriately for cold and warm weather.

Thanks so much for your co-operation. We look forward to meeting you all. Come see us with any questions or concerns as we are most happy to help.
